Sir,

I have the honor to forward herewith two statements, one shewing the new Police works to be constructed and the other the repairs to be executed to the existing buildings.

From the former statement, it will be seen that the requisition for new buildings is fairly large and it cannot in fairness to the hard-worked department be made to subordinate to irrigation or other projects. In several places, stations are held in miserable buildings, temples, Musaferkhanas and Ashurkhanas to the inconvenience of the public, not to make mention of the trouble to the poor Police subordinates. In malnad tracts, there are several stations where accommodation

Enclosure No. 2

Forwarding two statements--one showing the new Police-works to be constructed and the other the repairs to be executed to the existing buildings, and requesting sanction to the same.

Submitted for orders. The matter will have to be referred to H.H. the Maharaja.

men and officers has not been provided and, on this account, the service in the Department has become highly unpopular.

Under these circumstances, I venture to urge on the ---- consideration of the Government, the necessity there is for remedying this want and beg to recommend that an annual grant of no less than Rs: 50,000/- may be sanctioned for the new works.

Again the list of works for which repairs are to be done shows that for want of sufficient funds, District Officers have allowed several buildings to go without annual repairs, with the result that a large outlay on repairs is now called for. The small fund allotted annually for repairs of buildings, being hardly enough to do justice to all the buildings, several are, of course, neglected. I would, therefore, consider it high time that a separate allotment be made in the budget for the repairs of Police buildings and its management entrusted to me. I would then be in a position to give attention to this work promptly. The least amount required for this purpose is Rs 10,000/- as alredy mentioned in my letter No: 7569/446 dated 30-6-03. I request that the Government will see their way to sanction this arrangement and instruct the Chief Engineer to provide funds in the next budget.

I have the honor to be,

Sir,

Your most obedient servant,

Inspector General of Police.
